REAL KISSES

INT/EXT. LONDON STREET - LATE EVENING

An attractive woman turns a corner pulling on her gloves. She looks up and sees a man coming towards her with a smile on his face.

MAN

Lucy? Lucy Walker?

The woman stops and looks surprised but smiles broadly and nears

WOMAN

My goodness! Alec?

Alec

Yes, it's me. I knew I was right,
it's been so long..

He holds out his hand and she takes it

Lucy

Alec I'm sorry I didn't recognise you, yet
you've hardly changed

Alec

Well you look the same that's why I recognised you.
could never forget your face

Besides I

Lucy withdraws her hand and smiles

LUCY

Well it must be 20 years...

ALEC

20 years and two months

LUCY

You always could count!

They laugh together, he looks into her eyes and she turns away, a little shaken, but pleased

ALEC

Well, how are you? How's your husband?

LUCY

He died five years ago, he was ill for some time

ALEC

Oh? My condolences. But you're alright?

LUCY

I'm fine thank you. You look well

ALEC

I am well, I just got back from a trip

LUCY

You were always travelling. I suppose a Marine Biologist would have to...

ALEC

You could have come with me, well, most of the time. But you chose...

LUCY

I do like to travel though

ALEC

Well I'm glad to hear that. Do you know that we Haven't met since that last time when we kissed..

She looks away but still smiles

ALEC

Yes, the last time we kissed. It was 50 kisses. We should do it again

LUCY

How absurd! We're not teenagers

ALEC

You make me feel like one, even after all these years

LUCY

Alec!

ALEC

I've never forgotten you, Lucy

He bends down and kisses her cheek tenderly. She smiles and put her hand on his shoulder

LUCY

Nor I you.

ALEC

Then we shall have dinner. Are you free
Now? Right now?

She nods, and he takes her arm and they walk off, laughing together.
